3. On two days a week this can be reduced to not less than 45 minutes but on these occasions the child must not be present at the place of the performance for more than six hours.
4. A week is seven days beginning with the first performance or rehearsal.

This table is taken from Appendix A of "A Guide for Matrons and Performance Licence Holders", October 2008, Cumbria County Council Children's Services.

The term "rehearsal" is defined in Regulation 42 of the 1968 Regulations and means any rehearsal for, or preparation for the recording of, a performance to which a licence relates, being a rehearsal which takes place on the day of performance or during the period beginning with the first and ending with the last performance to which the licence relates.
